1963 ANNUAL INDEX

Volume LXXVIII

The American City

Index to subjects

ADMINISTRATION AND GOVERNMENT
(City manager appointments)
Jan., 154; Feb., 164; Mar., 168; Apr., 154; May, 182; June, 186; July, 142; Aug., 146; Sept., 202; Oct., 164; Nov., 146; Dec., 152
New Jersey cities update governments Jan., 46
The computer is super slide rule Jan., 88
The ingredient of good management Jan., 101
Personalized complaints Jan., 102
Future of the city manager Jan., 145
Safety is only one of the benefits Feb., 97
Municipal equipment show Mar., 109
"Strong" mayors administer cities Mar., 143
Dean of city managers retires Mar., 171
Cities' cost of living increased Apr., 46
4% more cities in past five years Apr., 108
Cash awards for future managers Apr., 154
Urban counties big spenders May, 92
Ten years of metered taxi fares May, 116
Little towns need little equipment May, 118
Where people work May, 151
C. A. Harrell to retire May, 182
Councilmen are smart June, 105
A request for single contracts June, 108
Modular office furniture June, 125
A "city" under the ice cap July, 100
New council-manager cities July, 131
Soil surveys ease growing pains Aug., 96
What Covinaites like about Covina Aug., 101
City managers' turnover rate low Aug., 146
Study manager plan in cities Aug., 146
Extra duties Sept., 95
Illinois mayor named in bribe case Sept., 146
Urban conference hunts "spin off" Sept., 166
Home-rule powers Sept., 169
All-America Cities contest Sept., 194
Dayton keeps city-manager plan Nov., 23
Houston centralizes motor maintenance Nov., 86
Staggered hours for federal workers Nov., 134
The value of consultants Dec., 99

AERIAL MAPPING—see Planning

AIR POLLUTION
(Air pollution control notes)
Jan., 36; Feb., 32; Mar., 42; Apr., 39; May, 46; June, 39; July, 36; Aug., 35; Sept., 41; Oct., 37; Nov., 41; Dec., 32.
Let's clear the air Mar., 160
Ohio will sample the air Aug., 76
Have lab, will travel Sept., 106
A new way to tame exhaust fumes Sept., 198
Nassau county attacks air pollution Oct., 109
Cities with the cleanest air Nov., 96

AIRPORTS AND AVIATION
Moving ramps serve travellers Apr., 88
Airport lighting studies revealed May, 131
Up-to-date airport ramp lighting Sept., 127
Cuts resurfacing time Dec., 92
Visual approach lighting Dec., 117

AWARDS, ACHIEVEMENTS, HONORS
Civil engineers select achievement Jan., 42
Awards for recreation programs Feb., 23
Yale offers traffic fellowships Feb., 154
City utility wins advertising award Feb., 164
ASCE gives ORSANCO top award Apr., 92
Hays selects first intern Apr., 150
New officers for AWWA May, 18
The cleanest city? It's Nashville May, 44
All-America cities for 1962 May, 170
Graceful park bridge wins award June, 22
Fire prevention contest winners June, 182
City clerks honor Shinners July, 121
Scholarships for firemen July, 121
Best-operated plants get awards Aug., 25
Safety shows a profit Aug., 87
Awards to building owners for CD Sept., 102
Alabama best plant superintendents Oct., 28
Sewerage study gets largest award Oct., 96
Bus shelter wins design award Dec., 75

BOND MARKET
Jan., 162; Feb., 172; Mar., 184; Apr., 168; May, 194; June, 193; July, 152; Aug., 156; Sept., 216; Oct., 172; Nov., 154; Dec., 157.
Municipal bond sales up July, 80

BUILDINGS
Functional and beautiful Jan., 141
Copper-to-concrete for court house Jan., 142
Ice skating in Mississippi Apr., 93
Fire house designed for efficiency Apr., 106
Maintenance shop sells service Apr., 107
A touch of lace June, 135
A garage full of ideas July, 71
A lift-dome auditorium Oct., 101
Crow's nest painting Nov., 80
A $4,000 borough hall Nov., 127

BUSINESS MACHINES AND SYSTEMS
200,000 records at our fingertips Jan., 79
The computer is super slide rule Jan., 88
Course for future data processors Jan., 148
Not late once in seven years Feb., 84
Ohio puts the personal touch Mar., 113
Computer tabulates traffic counts Mar., 135
Machine accounting pays Apr., 94
Slides of printed matter May, 101
1.2 seconds per bill May, 105
Machine-accounting benefits June, 134
Electronic data processing July, 97
Electronics centralizes records July, 138
Consolidate your utility bills Aug., 80
We do our own utility billing Sept., 101
200% more space with microfilm Oct., 95
Electronic automation Nov., 99
Printing, planning and public relations Nov., 102
Computer saves rental charges Dec., 80
Five utilities on one bill Dec., 91
Computer counts votes Dec., 100

CIVIL DEFENSE—see Public Safety

EDITORIAL
1963—morning of the urban age Jan., 7
Population growth Feb., 7
Rachel Carson vs. pest control Mar., 7
Refuse collection and pollution control Apr., 7
The odor of chlorine May, 7
Birmingham's ordeal June, 7
And Rachel Carson again June, 7
Real-estate taxes, sales taxes and lotteries July, 7
More metropolitan government Aug., 7
Accelerated public works Sept. 7
The patient will live Oct., 7
Land-use facts vs. fables Nov., 7
The unhappy record of composting Dec., 7

EDUCATION AND TRAINING
Course for future data processors Jan., 148
M.I.T. offers planning program June, 176
Tenants develop leadership program Aug., 142
Albuquerque holds workshop Oct., 85
City employees' training institute Nov., 23

FINANCE AND TAXATION
Best residential tax havens Mar., 140
1.2 seconds per bill May, 105
Tax-exempt status endangered July, 43
Cities spent $16.5 billion in 1961 Sept., 41
$3.65-per-capita revenue Sept., 91
"When and as needed" Oct., 18

GAS—see Power

HOUSING
Codes cover an experimental house Aug., 83
Demand for public housing doubles Oct., 108
Public-nuisance property goes down Nov., 140

LEGAL
(Legal notes and decisions)
Jan., 153; Feb., 163; Mar., 167; Apr., 152 May, 181; June, 185; July, 140; Aug., 144; Sept., 200; Oct., 162; Nov., 144; Dec., 154.
First integration ordinance Sept., 194
Woodbridge to curb runaway growth Sept., 198

LIGHTING
Lighting for beauty and efficiency Jan., 112
Lighting expressly for expressways Jan., 115
Redoubled street-lighting program Jan., 115
Residential fluorescents Jan., 116
Lighting for a new lower level Feb., 117
Economical lighting, reduced accidents Feb., 118
Lighting goes to college Feb., 121
Lighting upgrades shopping area Feb., 121
5,000 years of lighting Feb., 129
Mercury City, U.S.A. Mar., 121
A "sound" way to clean globes Mar., 122
Sioux City white way rates "20-20" Mar., 122
Planned light prevents crime Mar., 125
Cattle and candle power Mar., 126
Indoor lighting standards needed Mar., 144
Conduit drilling avoids surface damage Apr., 103
Ditcher that everyone borrows Apr., 108
Fluorescent City, U.S.A. Apr., 124
Brighter downtown, brighter future Apr., 126
Contract street lighting Apr., 126
Lighting launches core development Apr., 128
A seven-year relighting program May, 129
100% fluorescent May, 131
Airport lighting studies revealed May, 131
A Texas-size lighting program May, 132
Light up your golf course June, 141
Philadelphia cuts lighting bill June, 141
Latest in expressway lighting June, 143
Co-op planning lights a highway June, 143
Lighting adds beauty and safety June, 145
Lighting aids the policeman June, 145
New daylighting guide published June, 167
A triple-threat lighting program July, 105
"Sun City," city of light July, 107
Modern road needs modern lighting July, 107
Street lighting on a modest budget July, 108
Prismatic fixtures cut stadium costs July, 108
Marina lighting Aug., 91
Sunshine at night Aug., 111
Big-time lighting for village Aug., 113
Improvement in residential areas Aug., 113
Lighting that links two continents Aug., 115
Hillside luminaire for Los Angeles Aug., 115
Status of residential lighting Aug., 122
The residents asked for more Sept., 125
Up-to-date airport ramp lighting Sept., 127
Brightest glow in the valley Sept., 127
Continuous light reduces accidents Sept., 128
Fluorescents up-date downtown Sept., 128
Plastic globes cut costs Sept., 130
Little city, big lights Sept., 130
Stretching the recreation day Sept., 163
A light touch on the freeway Oct., 123
New lighting advances Oct., 124
Marina lighting Oct., 131
New lighting a real bargain Oct., 131
Women win outdoor-lighting award Nov., 109
Out of the dark Nov., 111
Floodlighting a shopping center Nov., 113
Feminine charms sell lighting Nov., 113
Mercury lighting for downtown Nov., 115
The proof is in the lighting Nov., 115
A tribute to Christmas Dec., 82
Relighting downtown Denver Dec., 93
Pay-as-you-go lighting Dec., 114
Retire the relics Dec., 117
Visual approach for airports Dec., 117
Light brightens downtown Dec., 119

MOTION PICTURES—see Public Relations

OBITUARIES
Charles Walter Nichols June, 54
John Robert Baylis Dec., 16

OUR MUNICIPAL NOTEBOOK
Jan., 32; Feb., 30; Mar., 33; Apr., 18; May, 25; June, 26; July, 32; Aug., 30; Sept., 32; Oct., 25; Nov., 30; Dec., 30.

PARKING FACILITIES AND PARKING METERS
Parking on a river Jan., 104
Meter fees buy free parking lots Jan., 108
Meter cleaning goes ultrasonic Jan., 111
Cozy parking in England Apr., 45
Syracuse selects parking meters Apr., 86
Parkettes curtail illegal parking May, 125
Bounce-back meter posts May, 127
Commuter-parking lot grant approved June, 131
Parking-lot program leaves motorist smiling June, 147
Ultrasonics cleans parking meters July, 110
Parking-meter poles in color Sept., 139
Parking stickers ease congestion Sept., 139
Kelly to head parking congress Sept., 147
A "sound" test for parking meters Oct., 121
Upgraded parking-meter service Nov., 117

PARKS AND PLAYGROUNDS
Monsters gobble lake-bottom weeds Jan., 34
How to weigh a giant bear Jan., 34
Artificial ice rinks—Part I Jan., 84
Hot water makes better ice Feb., 23
Artificial ice rinks—Part II Feb., 82
Maintenance-free railing Feb., 96
Radiators for frozen skaters Mar., 36
Check these pool items Mar., 36

INDEX TO SUBJECTS—(Continued)

Issue & Page

Birthday parties at the zoo ——Mar., 101
Triple-benefit waterfront projects —Mar., 110
Multi-purpose pavillion-bandstand —Mar., 157
Take a ride through a coal mine —Apr., 31
Biological pest and weed control —Apr., 31
Hand labor is dead ——Apr., 79
A towering arch on the river ——May, 48
A community in complete harmony May, 48
Swimming pools by subscription —May, 99
Graceful park bridge wins award —June, 22
Aerial tower aids tree pruning ——June, 22
How to have plenty of parks ——June, 118
Public photographic facilities ——July, 28
More than twice as many pools ——July, 28
Get your pools out of the red ——July, 84
Civic center features ice skating —Aug., 8
Don't hurt the turf ——Aug., 8
Marina lighting ——Aug., 91
Color-coded seats prevent delay ——Aug., 95
How we saved our shade ——Sept., 24
Park visitors increase ——Sept., 24
You can save your elms ——Sept., 110
With a flair for beauty ——Oct., 34
Three weeks instead of three months Oct., 34
Concrete trees for the beach——Oct., 92
Mushrooms for uplift ——Nov., 37
Trees keep pace with skyscrapers —Nov., 37
An asphalt promenade ——Nov., 95
Zoo structure turns day into night —Dec., 24
Grow your own dikes ——Dec., 24
Skaters enjoy "heat breaks"——Dec., 86
Early Christmas shopping ——Dec., 87

PERSONNEL

Municipal retirement problem ——Feb., 141
Charm clinic for city-hall girls ——Feb., 156
How to cope with pay problems —June, 156

PEST AND WEED CONTROL

Biological pest and weed control —Apr., 31
Everybody gets into the act ——May, 106
Mosquito control for 4¼ cents ——June, 128
Pigeons, starlings, health dangers —Aug., 46
Restores lakes to full potential ——Sept., 228
Using pesticides properly ——Nov., 140

PLANNING AND ZONING
(Zoning and planning decisions)

Jan., 150; Feb., 159; May, 177; June, 180; July, 137; Aug., 138; Sept., 196; Oct., 160; Nov., 142; Dec., 150.

Uses for "Open-Space" program —Jan., 36
Gas works get glamour ——Jan., 71
How to use color effectively ——Jan., 130
Los Alamos gets photographed ——Feb., 81
Urban-renewal victories ——Feb., 146
Toledo makes room for more industry ——Mar., 94
Within five years ——Mar., 95
Senior citizens want to be downtown Mar., 114
Sacred-cow planning gets challenger Mar., 162
How zoning can bring beauty ——Apr., 100
Problems of the aged in Decatur —May, 138
Operation eyesore stops urban decay May, 165
From city dump to industrial park July, 95
Market-mall motif for Sacramento Aug., 81
Codes cover an experimental house Aug., 83
Planning requirement no obstacle to urban highways ——Aug., 134
Urban renewal saves homes ——Sept., 103
How to keep industry ——Sept., 122
Curbing runaway growth ——Sept., 198
Instead of an abandoned factory ——Oct., 89
In ten more years ——Oct., 150
Philadelphia limits building height Oct., 156
Equal opportunity ——Nov., 98
Our investment in tomorrow ——Nov., 100
Urban-renewal funds authorized for middle-income housing studies —Nov., 150
A shopper's park ——Dec., 73
N. Y. launches waterfront program Dec., 94
Los Angeles' R-3 ordinance——Dec., 95
So you want new industry ——Dec., 136

POWER

New gas turbine for Anchorage —Jan., 72
Gas utilities earn dividends ——Feb., 89
Memphis rejoins TVA ——Apr., 39
Going up ——May, 120
All-electric city ——July, 96
Proposed nuclear plant under fire —Aug., 73
Bethanyites get a bargain ——Aug., 77
2.29 mills per kwhr ——Aug., 84
Tough jobs made easy ——Aug., 94
Repair those fuel tanks ——Oct., 159
How we reduced electric rates ——Nov., 136

PUBLICATIONS
(Municipal and civic publications)

Jan., 161; Feb., 171; Mar., 181; May, 192; June, 191; July, 151; Aug., 156; Sept., 214; Oct., 170; Nov., 152; Dec., 156.

PUBLIC RELATIONS
(Municipal public relations—The city tells its story)

Jan., 119; Feb., 134; Mar., 136; Apr., 133; May, 159; June, 152; July, 117; Aug., 104; Sept., 143; Oct., 133; Nov., 122; Dec., 126.

Films for freedom ——Mar., 150

Issue & Page

Civic fetes don't just happen ——Apr., 109
Civil-defense films ——Apr., 139
Open-house day in Lennox ——July, 131
Purchasing and public relations —Aug., 98
20% response for city report ——Sept., 164
Film shows good suburban living —Sept., 202
Small city's international program Nov., 18
Printing, planning and public relations ——Nov., 102
Record album is key to city——Dec., 151

PUBLIC SAFETY

Low-cost rescue unit ——Jan., 8
Disaster planning ——Jan., 8
Fire chiefs elect new officers ——Jan., 42
A fireproof fire station ——Jan., 73
Decentralized islands of community survival ——Jan., 100
Police expand radio facilities ——Jan., 129
Fire department and taxpayer ——Jan., 152
Double fire-killing power ——Feb., 20
Police reserve lends valuable aid —Feb., 20
Red signifies safety and security —Feb., 93
Fighting tank fires ——Feb., 126
A foam equipped fire pumper ——Feb., 149
Seat belts save lives ——Feb., 160
Aerial ladder trucks guard high-value districts ——Mar., 35
Bowling-alley fire safety ——Mar., 35
Accidents are old-fashioned ——Mar., 35
Foot patrolmen radio equipped ——Mar., 89
Congestion in mobile radio frequencies ——Mar., 100
Half-pint truck creates good will —Apr., 36
Aids for volunteer fire departments Apr., 36
Once a truck, now a police wagon —Apr., 36
Grants for police training ——Apr., 83
Rescue by snorkel ——May, 34
$175,000,000 asked for shelters ——May, 34
Fairbanks bound ——May, 34
Fires killed 11,800 in 1962 ——May, 89
High-visibility colors ——May, 96
Expands radio communications ——May, 120
Fire departments need own radios May, 174
Motorizing the corner policeman —June, 24
Smoke inhalation death factor ——June, 24
"Good dog neighbor program" ——June, 60
Yankee ingenuity ——June, 109
1,400 degrees in two minutes ——June, 190
Designed to fit the fire station ——July, 30
A new radio system for Nashville —July, 30
"Backbone" fire training ——July, 89
A truck for the canine squad ——Aug., 28
Police reorganization needed ——Aug., 28
Safety shows a profit ——Aug., 87
Roulette at the police station ——Aug., 90
Increased fallout shelters ——Aug., 126
Fire-boat brochure available ——Aug., 136
Fire-response distances revised ——Aug., 154
A jet fire boat for Monterey ——Sept., 28
Selecting a fire-station site ——Sept., 28
Awards to building owners for CD Sept., 102
Mug shots for stray pooches ——Sept., 111
Civil-defense requirements ——Sept., 140
Police issue citizen ID cards ——Oct., 14
Winnepeg gets a three-boom snorkel Oct., 14
New NFPA publications ——Oct., 170
Fire prevention for low losses ——Nov., 35
Large-loss fires decrease ——Nov., 109
A maximum-minimum approach to civil-defense communications ——Nov., 131
Overcoming smoke inhalation ——Dec., 26
Teletypewriter aids police ——Dec., 26
Gas revenue builds firehouse——Dec., 98
Fire equipment standards ——Dec., 131
"Instant police" ——Dec., 147

PURCHASING

Three-year purchase contracts ——Jan., 92
How to purchase quality ——Feb., 122
How to reduce tire wear ——Feb., 154
Two new purchasing procedures —Mar., 117
New government + centralized purchasing = increased efficiency Apr., 102
Cooperative purchasing ——May, 134
What Tennessee cities are buying June, 158
How to discourage identical bids —June, 186
We shopped around ——July, 99
Municipal purchasing and public relations ——Aug., 98
A centralized purchasing system ——Sept., 108
A vendor-relations office ——Oct., 153
A purchasing manual is a must ——Nov. 89
Combine purchases and save——Dec., 83

REFUSE COLLECTION AND DISPOSAL

Motorized set-out crews ——Jan., 27
Simplified ash transfer ——Jan., 27
Update refuse collection and save Jan., 94
Sanitary-fill pioneer ——Jan., 129
Landfill has real "togetherness" ——Feb., 27
For a cleaner New York City ——Feb., 27
Twice as big—better than new——Feb., 91
Golden yellow for safety ——Mar., 27
Change waste into revenue ——Mar., 27
An incinerator can be attractive —Mar., 96
Trading roses for trash ——Apr., 17
Difference in refuse ——Apr., 17
In the bag for keeps ——Apr., 89
The death of a dump ——May, 29

Issue & Page

With boats in the basement ——May, 29
Tote barrels ——May, 117
Small landfills need big equipment June, 8
How to handle refuse disposal ——June, 8
Built to fit the site ——June, 120
Merchants like big garbage cans —July, 23
Operation bootstrap ——July, 78
Long-lasting protection ——Aug., 27
Refuse due for more changes ——Aug., 27
Spring clean-up costs cut 28% ——Aug., 27
Prepacked refuse increases payload Aug., 82
Rubber-tired loader reduces noise —Aug., 100
Burn brush without smoke ——Sept., 34
The residue tells the story——Sept., 104
Queries and answers on composting Sept., 119
Good contract collection ——Sept., 191
Disposable bags ——Oct., 32
Collect refuse—not complaints ——Oct., 97
An unseasonable winter ——Nov., 33
Refuse up, facilities down ——Nov., 33
Compost plant at Phoenix closes —Nov., 41
For longer incinerator life ——Nov., 92
Easier and better collecting——Dec., 28
Fewer collection routes ——Dec., 28
Flyless refuse collection ——Dec., 81
Harbor housecleaning by boat——Dec., 148

SEWERAGE AND SEWAGE TREATMENT

Slaying water-pollution dragon —Jan., 31
Contract awards reach record level —Jan., 31
New ideas on smoking out leaks ——Jan., 31
A compact plant for a small site ——Jan., 76
Storm sewer ends man-made floods —Jan., 87
Sewage plant garden-club winner —Feb., 28
Untouched by human hands ——Feb., 28
Sewage problems respect no political boundaries ——Feb., 71
Our good neighbor, the sewage-purification plant ——Feb., 94
Sewer construction takes a dip ——Mar., 25
Lab on a lake ——Mar., 25
Concentric-circle design ——Mar., 92
What it costs to clean a digester —Mar., 105
The late late show ——Apr., 34
Georgia wants a quacker ——Apr., 34
TV for sewer inspection ——Apr., 45
The answer to beach pollution ——Apr., 84
Detergents problem ——May, 22
Don't be just half-safe ——May, 90
Doubled area solves sewerage problem ——May, 108
Steel bands stop joint leakage ——May, 149
Bubbles melt 48 inches of ice ——June, 34
Out of sight but not out of mind —June, 34
Clean sewers on schedule ——June, 110
Treat sewage as an area problem —June, 169
A king-sized valve ——July, 34
We are beating water pollution ——July, 34
"Big Muddy's" first sewage plant July, 81
Estimate kw in sewage-digester gas July, 92
Best-operated plants get awards —Aug., 25
Foaming at plants beneficial ——Aug., 25
315 "accelerated" projects ——Aug., 25
"Completely complete" purification Aug., 46
TV and chemical grout ——Aug., 78
No more storm-water worries ——Aug., 93
Storm relief—Texas style ——Sept., 30
Spurring pollution research ——Sept., 30
Congress plans ban on detergent —Sept., 30
Coded signal warns of sewer surcharge ——Sept., 96
Steel-lined for safety's sake ——Sept., 120
Out of sight and safer ——Oct., 30
More waterway for less cost ——Oct., 30
N.Y. water resources need money—Oct., 30
Reclaiming used water ——Oct., 83
Sewerage study gets largest award —Oct., 96
Water reuse by design ——Oct., 106
Clean sewers at half the cost ——Nov., 27
New sewage treatment plants ——Nov., 41
This sewage plant gains friends ——Nov., 78
From septic tanks to secondary treatment ——Nov., 103
Solves international problem ——Nov., 104
Dead fish can't bite ——Nov., 106
Display shows water-reclamation process ——Dec., 14
Uniform rules no solution——Dec., 14
Divers replace missing pipe——Dec., 84
What you need to run a waste-treatment plant ——Dec., 101

SNOW REMOVAL

No clogged driveways ——Jan., 45
The three toughest problems ——Jan., 80
The snow-fighting "pacesetters" —Jan., 99
Throw away your shovel ——Feb., 14
On-the-job refueling ——Feb., 14
Electric de-icer ——Feb., 14
Tips for tired snow fighters ——Feb., 76
Waxed boxes make snow slide ——Mar., 30
Three plows in a tandem ——Mar., 30
Snow conference expands coverage —June, 162
Getting better results from salt ——Aug., 32
Virtually every snowflake ——Aug., 71
Homemade shed protects salt ——Sept., 22
Parking ban aids snow plowing —Sept., 22
Eliminate the contract plowing —Sept., 112
Mix chemicals for faster melting —Oct., 16
Salt, plow and haul ——Oct., 90

INDEX TO SUBJECTS—(Concluded)

Issue & Page

Even while snowing, odd when cleaned ---Nov., 14
No plowing necessary ---Nov., 14
Everybody pitches in ---Nov., 90
Town and country snow fighter---Dec., 18
We get lots of help ---Dec., 18
Snow removal costs ---Dec., 76
Small but powerful snow fighters---Dec., 145

STREET CLEANING

Keep the drop on falling leaves ---Jan., 82
A stronger leaf rake ---Mar., 28
A bunny drives a sweeper? ---Mar., 28
The street-cleaning revolution—Part I ---Mar., 106
Get the streets open first ---Apr., 26
Sweeping south of the border ---Apr., 26
The street-cleaning revolution—Part II ---Apr., 104
More costly but greater service ---May, 44
The cleanest city? It's Nashville---May, 44
No dirty streets in "cleanest city" May, 93
Removing oil at 25° below ---June, 30
We corral our street vehicles ---June, 112
Cleaning gets assembly-line methods June, 126
This unit works all over ---July, 20
Hand sweeping loses ---July, 20
Fleet keeps catch basins clean ---Aug., 36
Flush and sweep for results ---Aug., 36
Newspaper racks clear sidewalks ---Aug., 89
Sweepers are part of the parade ---Sept., 36
The clean-street bug is catching ---Sept., 98
Stretching the street dollar ---Oct., 102
Lively Louie ---Nov., 29
Plastic fiber on yearly contract---Nov., 29
If it works in New York City—Part I ---Dec., 96

STREET CONSTRUCTION AND MAINTENANCE

Special filling protects concrete ---Jan., 15
Gigantic sealing project at O'Hare ---Jan., 15
Seal and surface in one step ---Jan., 96
Street maintenance then and now ---Feb., 8
St. Louis' slurry-seal experiment ---Feb., 78
What the road show has for streets Feb., 98
Mixed chemicals keep dust and costs down ---Mar., 9
New street group formed ---Mar., 9
Don't compromise on quality ---Mar., 87
Slurry-seal association formed ---Mar., 104
Better batting averages for street projects ---Apr., 9
Roads that repair themselves ---Apr., 9
Resourceful street maintenance ---Apr., 96
Conduit drilling avoids surface damage ---Apr., 103
More asphalt streets use asbestos ---May, 9
Close-quarter loading ---May, 98
New plates save an old bridge ---May, 110
Rubber road erases accidents ---June, 19
New designs for streets ---June, 19
